The Milpitas Historical Society Newsletter

Volume XXXXV, No 7

Next Meeting: TUESDAY, October 22nd

The next meeting of the Milpitas Historical Society will NOT be on our usual second Wednesday of the month, October 11th.

Without warning or explanation, the Society had its regular reservation for several meetings erased from the schedule.

So the new meeting date for this month is Tuesday, October 22nd at 7PM in the Milpitas Library Auditorium. We look forward to seeing everyone there!

Our Presenter.

Krista Van Laan will be our speaker this month. She has made numerous presentations to our Society members in recent years. She is an amazing architectural historian and the author of three books on that subject:

Frank Delos Wolfe: California Praarie Architecture (pub. 2014)

Wolfe & Higgins: Master Architects of the Spanish Revival (pub. 2017)

Schiele Subdivision and Alameda Park (pub. 2024)

Additional details of this month's presentation will be forthcoming in the full issue of the Milpitas Muse.
